Pro-Choice, Pro-Adoption: A Loving, Positive Response to Unplanned Pregnancy

A Refreshing new look at the options for women facing unplanned pregnancy. Uncovers why adoption can now be embraced as a loving, positive response.

- Welcome, Terri. Tell us why you decided to author this book, *Pro-Choice, Pro-Adoption*.
 - Your non-profit Unplanned Good, advocates for adoption. Why is it necessary to put that in the forefront?
 - What options do women usually turn to when they face an unplanned unwanted pregnancy?
 - Has adoption changed much in the last few decades? How?
 - What about “informed choice”? Do you think women have access to all the info they need about all their options?
 - What do you think are the biggest misconceptions about adoption today?
 - Why do you think that women might be wise to choose adoption over abortion or single parenting?
-
